Housing Consultant Position Available at Housing Resource Center

The CUCS Housing Resource Center (HRC) is seeking a Housing Consultant to join our team. Our Housing Resource Center expands access to housing and support services for people living with mental illnesses and other special needs.

HRC Housing Consultants collaborate with social service agencies to provide referral and technical assistance on Single Point of Access (SPOA) Housing and NY/NY I & II housing applications. Housing Consultants also assist individuals living with mental illness and their advocates on understanding NYC housing options and navigating the HRA 2010e application process. Other responsibilities include delivering training to staff from agencies throughout NYC, resource development, and maintenance of the HRC housing provider database.

Eligible applicants will have:

- High school diploma with six years relevant work experience, or Bachelor's degree with two years relevant work experience in related field
- Significant knowledge and experience with mental health services; supportive housing experience strongly preferred
- Ability to manage multiple projects and competing priorities effectively
- English/Spanish bilingual preferred

To apply, please go to www.cucs.org and complete and application.

Position: Benefit Advisor

Job Location: Queens

Job Description

CUCS operates two Single Stops on Riker's Island. Our goal is to reduce recidivism rates at Riker's Island by assisting low income New Yorkers in taking initial steps towards self sufficiency. We address basic concerns onsite that may otherwise complicate successful re-entry into the community when released: acquiring benefits, addressing outstanding civil legal concerns and inaccurate documentation regarding criminal histories. We are a diverse team who are hard working, client centered and willing to do whatever it takes to get the job done.

The Benefits Advisor will assist sentenced inmates at Rikers Island in meeting their most basic needs of self-sufficiency, screen for interest and eligibility for public benefits, including paper and electronic application completion with some post-release planning ensuring successful re-entry into the community. Additional responsibilities include screening for other services provided by the program.

Experience/Requirements

HS diploma and at least 2 years of related experience required, BA preferred. Strong organizational skills, ability to market program and work collaboratively with other service providers both on and off island. Social service experience required. Experience in public benefits acquisition and/or re-entry, as well as bilingual Spanish-speaker a plus. Must be highly professional, flexible, focused, organized and able to work with a diverse population of clients, and possess a proven ability to maintain professional boundaries.

PLEASE NOTE - Masters' level applicants will NOT be considered. This is not a supervisory position. Candidates must be able to pass New York City Department of Corrections clearance process for employment.

Job Description

Community Access is a progressive not-for-profit organization that expands opportunities for people living with mental health concerns to recover from trauma and discrimination. We are built upon the simple truth that people are experts in their own lives. Our programs are spread across 20 locations and include over 1,200 units of supportive housing in three boroughs, a new Adult Home Initiative, advocacy and Supported Education programs, a peer-driven Crisis Respite Center, and other initiatives.

Adult Home Initiative

The Adult Home Initiative (AHI) is a new Peer Support project providing opportunities for residents of Adult Homes who have mental health concerns to transition into community-based supportive housing. The project emerged from a NYS class action settlement between NYS and plaintiffs residing in NYC Adult Homes.

The AHI team will provide Peer supports as desired and needed by the residents, during each phase of the process: in-reach, assessment, HRA approval, and moving transition. These individualized and group-based supports will expose residents to opportunities, develop self-advocacy skills, promote informed choice, and enhance community engagement. Adult Home locations are in Queens, primarily in the Rockaways, and in the Bronx.

Location : Queens and Bronx

Job Type: Full Time

Salary - \$40,000

Position Overview

The Peer Bridger works to develop mentoring and supportive relationships with NYC Adult Home Residents, promoting connection and hope in an independent future in Supported Housing. The Peer Bridger engages residents in peer-based services to identify and overcome barriers to housing transition, addressing questions and fears, while building self-advocacy and systems-navigation skills.

All staff are responsible for incorporating the following principles into their work: participants' right to self-determination; respectful communication; and delivering services consistent with and nurturing each participant's cultural background, experience, identity, and values.

Experience/Requirements

Recipient/survivor of mental health services

Minimum of a high school diploma or equivalent (GED)

Strong understanding and practice of peer support, recovery, wellness and related services

Possess strong engagement, and oral and written communication, skills

Ability to work as part of the team

Ability to travel and work afternoons, evenings and weekends

Ability to utilize various computer programs, specifically Microsoft Word and Excel

Operating 7 days a week, the shelter offers 24 hour staffing including security and houses a full medical suite and offices for the on-site medical, psychiatric and social service teams. The shelter is readily accessible by bus and subway. The primary goal of on-site services is permanent housing placement for program participants that meets their needs and abilities.

The Licensed Practical Nurse will work in collaboration with both CUCS and Janian Medical staff, which will include a primary care provider, psychiatrist, medical assistant, and social workers. Program services include: housing placement, comprehensive health, mental health, and case management services. Scheduled hours will be Monday through Friday from 3:00-11:00pm, with some flexibility.

Responsibilities: Under the supervision of a physician, nurse practitioner or registered nurse, LPN responsibilities include but are not limited to:

Ordering, storage, administration and documentation of medications for patients as per agency policy and training. The LPN has a management and leadership role in this process. Duties may include:

- Checking medications into the system; maintaining accurate patient medication lists

- Maintaining a highly organized medication cart

- Maintaining an accurate and secure controlled substances drawer

- Anticipate needed refills

- Liaising frequently with pharmacy staff

- Updating orders in a timely manner, from on-site and off-site providers

- Dispensing medications to patients and documenting per agency policy

Upon orders from a Janian Medical Care provider, or in some cases a non-Janian provider, the LPN will:

- Provide nursing care

- Observe, measure, record and report clinical data relating to patient health status

- Administer injections, such as: Long Acting Injectable (LAI) medications, Tuberculin Skin Test (TST) implantations, or vaccines.

Provide healthcare teaching and support as well as personal hygiene assistance/counseling to clients

Escorting and chaperoning patients to healthcare appointments

Communication with physicians and other providers to coordinate care and obtain information, reports and notes. Compilation of patient health information

Maintenance of medical office, including:

- care and maintenance of medical equipment

- maintaining inventory of medical supplies

- Participating in staff meetings and other case conferencing meetings

- Maintaining professional, working relationship with site staff

Experience/Requirements

LPN license required; at least one year experience with mentally ill population preferred. Excellent verbal and written communication skills and computer literacy required. Close attention to detail is essential. Bilingual English/Spanish preferred, but not required.

We offer a competitive salary and an excellent benefit package. Our staff enjoys a supportive, collaborative work environment with expert supervision that encourages clinical excellence.

The Economic Empowerment Director (EED) is responsible for designing and implementing both macro and micro level economic empowerment programming for girls and young women who have experienced commercial sexual exploitation and domestic trafficking. The goal of GEMS' economic empowerment programming is to support its members in reaching their educational and vocational goals and move toward economic independence. The Economic Empowerment Director will lead a team of educational and employment-readiness specialists to deliver its Educational Initiative and Pathways programs and financial literacy curriculum. The economic empowerment team will utilize a trauma-informed and strengths-based lens to provide both individual and group support to members and identify and build relationships with appropriate community partners. The Economic Empowerment Director will serve as an integral part of the Support Services Team and will support all staff to move members toward economic independence by breaking intergenerational cycles of poverty.

Tasks and Responsibilities: This statement of duties is for the purpose of identifying this position, but it is not limited to:

Economic Empowerment Programming:

- Provide overall direction for strategic learning and development within the organization generally and to the Economic Empowerment Program.
- Research, develop and facilitate educational preparation, employment readiness, and financial literacy programming that is trauma- and survivor-informed, utilizes best practices, and is responsive to member wants and needs.
- Supervise the Economic Employment Manager, including creating opportunities for skill enhancement, training development and special projects as they arise.
- Develop and implement strengths-based educational and employment readiness assessments and plans with individual members based on their interests, skills and goals to support them in developing a career pathway to living wage employment.
- Create realistic budgets with members that utilizes available resources and supports them in moving toward their definition of economic independence.
- Facilitate weekly employment readiness, skill-building and financial literacy workshops with members, including resume and cover letter writing, job search and interview skills, budgeting, credit, bank accounts, Microsoft Office, office behavior and skills, etc.
- Identify ways to decrease physical and emotional barriers to education and employment, including the use of financial incentives, Metrocards, in-house tutoring, etc., to ensure members are motivated and able to succeed in educational programs, vocational training, internships/externships and/or employment.
- Provide ongoing education and job coaching to ensure retention; match members to professional mentors in their field of interest.
- Lead related events, activities and field trips to expose members to an array of educational and vocational opportunities and careers, such as college tours, Educational Initiative Ceremony, Career Days, etc.
- Develop and maintain relationships with educational, vocational and job-readiness programs, trade schools, internship programs, and employers that are better positioned with resources and services to support members' needs; provide consistent contact and support.
- Research and develop industry knowledge in key occupations to ensure effective matching of members to educational and employment opportunities.
- Maintain a list of open immediate employment opportunities that members are qualified for.
- In conjunction with members' Support Services Coordinators and the economic empowerment staff, utilize a team approach to provide regular check-ins, case management and advocacy.
- Manage and edit resource binders, program manuals, forms and contracts; support Program Director in building out data collection forms in the data management system, Apricot.
- In coordination with the Training Department plan for and help facilitate trainings for community partners.

Administrative Duties:

- Attend weekly or bi-weekly supervision meetings.
- Provide weekly supervision and professional development opportunities to economic empowerment staff.
- Attend weekly all staff, case conferencing, grand rounds or professional development meetings, and retreats and trainings as needed.
- Responsible for data collection, documenting and reporting on program outputs, outcomes and quality indicators into the data management system, Apricot; evaluate the effectiveness of the Educational Initiative and Pathways programs and use results to improve.
- Responsible for member stipends related to economic empowerment programming; create and monitor monthly program budgets; complete check requests and expense reports in a timely manner.

Job Description

The Center for Urban Community Services, a national leader in the development of effective housing and service initiatives for homeless people, invites applications for a Social Worker position at the Intensive Mobile Treatment (IMT) program. The Intensive Mobile Treatment Team will work with individuals that move frequently across the behavioral health care system (outpatient and inpatient), the homeless services system (shelter, street, Safe Haven), and the criminal justice system (jail, probation, parole). IMT is a multi-disciplinary, flexible treatment modality that seeks to reduce the barriers to treatment and other services its participants are experiencing in order to help them live meaningful lives in the community. The team is a mobile and its members provide services wherever its participants are, including at home, in shelters, hospitals, jail, on the street or at the IMT office.

The Social Worker will be expected to contribute to a program culture that is person-centered, outcome-oriented, and committed to continuous quality improvement. The Social Worker will also provide:

Screening and assessment (including for risk) of participants, families and /or significant others involved with the participant in order to develop person-centered treatment plans.

Screening and assessment of participants for the treatment of co-occurring substance use disorders including involvement in an interdisciplinary assessment.

Advocacy and coordination for recipients within the criminal justice and shelter system.

Assistance for program participants in securing medical care, entitlements and other community supports that promote integrated physical and mental health, safety, well-being and recovery.

Individual counseling that is trauma-informed and includes principles of Integrated Dual Disorder Treatment as appropriate.

On-call support on a rotating basis for the 24-hour emergency line.

Experience/Requirements

Master's Degree in Social Work required (LMSW will be required when required by New York State to provide Social Work services).

Recent and upcoming graduates and experienced clinicians encouraged to apply.

Post-masters direct service experience with substance abuse required.

This person must possess strong assessment, written and verbal communication skills, and computer literacy.

Bilingual Spanish/English preferred

Job Description

The Public Health Diversion Center provides 24/7 short stay, engagement, stabilization and treatment services for adults with mental health and/or substance use issues referred directly by NYPD as an alternative to the traditional police responses of arrest, summons, or transport to an emergency room. Guests are referred to the Diversion Center when their infractions are non-violent and/or low-level offenses such as loitering, trespass, public inebriation, and disorderly conduct. The goal of the Diversion Center is to help guests begin to identify and modify the behaviors that result in repeated police contact. An OASAS licensed outpatient clinic, located on site, provides services to guests who are eligible. The average length of stay is anticipated to 5 days.

Overall Responsibilities:

Under the general direction of the Clinical Director, the Social Worker/LMSW conducts rapid assessments, engages guests in wellness, discharge, and aftercare planning, and facilitates linkages to community services and residential settings.

Essential Duties and Responsibilities:

The essential duties include but are not limited to the following activities depending on the assigned shift:

- Provides direct care to guests, including conducting assessments to identify the full range of service needs
- As the primary counselor for a designated caseload - collaborates with the full on-site team to ensure coordination of care
- Counsels guests through individualized and group sessions on issues such as wellness self-management, and community integration skills
- Identifies and makes referrals for community-based treatment and support services.
- Participates in daily team meetings
- Inputs guest information and updates into the facility's case management software system, ensuring all data is accurate and entered in a timely fashion

Experience/Requirements

- Master's Degree in Social Work, NYS LMSW required
- A minimum of four (4) years of progressively responsible post-graduate experience working with homeless and criminal justice involved individuals with either a diagnosis of mental illness or a substance use disorder; including experience in emergency or crisis services
- The ability to work well in a highly pressured environment set and meets deadlines and delegate as appropriate
- An ability to interface with guests as well as all levels of staff
- Knowledge of case management software as well as a proficiency in Microsoft Office Suite
- A minimum Excellent oral, writing and listening skills
