SUGGESTED OUTLINE FOR THE HRA 2010e PSYCHIATRIC SUMMARY

Below is an outline of the information that should be included in a separate, preferably narrative, psychiatric evaluation. All evaluations must be on agency, program or practitioner letterhead, signed and dated by a licensed psychiatrist, licensed psychologist, licensed psychiatric nurse practitioner, or a licensed clinical social worker and should reflect the information from the most recent psychiatric assessment.

I. Identifying Data

Include applicant's name, demographic information (including date of birth) and a brief description of the individual's physical characteristics/appearance.

II. Current Psychiatric and Substance Use Treatment

If currently hospitalized, reason for admission; clinical course, substance use (if applicable). Specify and describe any functional impairment.

III. Psychiatric, Substance Use and Treatment History

Include onset of illness, in- and outpatient treatment, history of suicidal/homicidal behavior or ideation, violence, criminal activity and substance use.

IV. Mental Status Exam

Describe in detail applicant's current mental status; include the areas listed below:

A. Appearance

B. Orientation

C. Speech

D. Affect

E. Memory

F. Intelligence

G. Cognition

H. Perception

I. Suicidal/Homicidal
(Ideation & Potential)

J. Judgment

K. Insight

L. Impulse Control

- V. **Clinically significant diagnoses outlined by the DSM-IV-TR or DSM-5**
List all Clinical Disorders and Other Conditions (psychiatric and medical diagnoses as well as clinically relevant psychosocial and environmental problems) that may be a focus of Clinical attention.

- VI. **Current Medication Regimen (Including Compliance)**

- VII. **Summary and Clinical Recommendations for Ongoing Treatment**

- VIII. **Licensed Psychiatrist, licensed Psychologist, licensed Clinical Social Worker or licensed Psychiatric Nurse Practitioner's Signature, Printed Name, NYS License Number Date and Telephone Number**

Do not submit this form as a psychiatric evaluation

Prepare a separate psychiatric summary.
