As 2023 winds down, consider the impact we can make, one person, and one family, at a time. If you're comfortable, smile and say hi to the homeless person you often see on the corner, or on your way to work. Understand that people don't choose to be homeless. Please give the largest and most meaningful gift you can that reflects your values and your desire to join CUCS as part of the solution to homelessness.

Remembering Those We Lose

Every year our homeless neighbors who leave this world during the winter solstice are remembered in our annual "For Every Hour..." program. We ask that you join hands with us in remembering those we lose. Many in our community are not reported, not accounted for. The homeless we see are only the tip of the iceberg: thousands are killed each year in our country, and they leave this world in solitude, unknown, and unrecognized. They come to symbolize the lives lost every day on this earth, and their souls appear before God. "For every hour and every moment thousands...leave this world and their spirits are reunited with God."

"For every hour and every moment thousands...leave home and leave their pain and grief behind."

"For every hour and every moment thousands...leave behind the despair and the anger that they felt and let others know that they were there."

"For every hour and every moment thousands...leave as we all do: alone and unloved."

"For every hour and every moment thousands...leave the world of the living and enter the hereafter.

"For every hour and every moment thousands...leave this life and enter the next."

"For every hour and every moment thousands...leave their bodies and their souls.

"For every hour and every moment thousands...leave this world and enter the next."

"For every hour and every moment thousands...leave and walk into the afterlife."

"For every hour and every moment thousands...leave this world and enter the next."

"For every hour and every moment thousands...leave and walk into eternity."

"For every hour and every moment thousands...leave their loved ones and their world."
