

Case Management Certificate Program

The complete case management toolkit for professionals at every stage of their career.

- Designed for holistic success. From writing effective notes to successfully supporting vulnerable populations
- Evidence-based and person-centered techniques, strategies, and skills
- Interactive, hands-on training for immediate practical application
- Continuing Education credits (CE's) for Social Workers and Licensed Mental Health Counselors and NYS OASAS certification renewal credits available

Launching a new program? Let CUCS train your workforce. Customized packages are available. Add-ons include specialized training led by an experienced community psychiatrist.

The CUCS Institute trains
18,000+ people each year.
